Report of Selectmen

To the Inhabitants and Voters of Town of Milan:

With the completion of this 1954 Annual Report ends another fiscal year for our town. All of the towns' financial transactions are both itemized and summarized within this report, but there are other items, you could say 1954 history, that can be better expressed in words rather than in figures. It is with this thought in mind that we, your Board of Selectmen, wish to present a brief resume of the more important events and town transactions during 1954.

Town Officers

Thelma Beroney tendered her resignation as Library Trustee during the past year. Doris Connors was appointed to fill the vacancy for the unexpired term. This was the only resignation or other change among the elected town officers.

1955 Proposed Budget

Considerable time and consideration was given to the preparation of the Proposed Budget as appears in this Annual Report. The estimated expenditures for 1955 of \$55,321.54 is an increase of approximately \$600 over the adopted budget, or total town and school appropriation for 1954, of \$54,687.61. State Aid Construction, Old Age Assistance, Cedar Pond Dam, and Town Hall and Legal Expenses are the principle items tending to reduce the proposed budget, while on the other hand Town Road Maintenance was increased by necessity a sufficient amount to offset the above reductions. There are no provisions in the proposed budget for floods, hurricanes, major forest fires or other catastrophies which have been of considerable expense to the town during the past two years.

State Aid Construction

Milan Hill Road was completed during 1954, finally terminating a project that was initiated some 20 or 30 years ago. This completion is of considerable savings to the town in reduced

maintenance cost and the elimination of an appropriation to cover yearly construction costs.

Stearns Brook Bridge

Stearns Brook Bridge and a new north abutment was also completed during the past year. You may recall that in 1953 the town voted to pay one-half the construction cost of this bridge. At that time the estimated cost was \$10,000.00, but shortly thereafter the flood of March 1953 caused serious damage to the north abutment. A new abutment was required at a cost of approximately \$6,000.00, an item which contributed heavily to the final cost of the project. To date the town has paid \$8,000.00 to the State based on one-half the estimated cost of the bridge, plus one-half the actual cost of the abutment. The final cost figures on the bridge itself are not yet available and the amount due to the State may be adjusted either up or down when the total cost of the bridge and appurtenant structure is determined.

Cedar Pond Dam

The New Hampshire Water Resources Board rebuilt the dam at the outlet to Cedar Pond during 1954. Included in the construction were two new training walls for the protection of the bridge immediately downstream from the dam. The total cost of this project was \$800.00. This cost included the training walls which are an integral part thereof and does not lend itself to cost segregation. It was conservatively estimated that these walls added \$200.00 to the cost of the project and was charged to Road Maintenance. An additional \$100 was available from past transactions with the Cedar Pond Association, leaving a net outlay for the dam itself of \$500.00. Final negotiations are now under way for the formal transfer of the dam with some adjoining land to the Water Resources Board.

Emergency Expenditures

This year, as in 1953, the town was faced with emergency expenditures. In September 1954 two hurricanes accompanied with heavy rains caused considerable damage to the town road system. The added expense of \$1,289.56 for reconditioning these roads as a result of wind and flood water was kept separate in so far as practicable. This item, although it pertains to Summer Road Maintenance, was included as a separate item in this report. In addition to these hurricane floods, the 1954 spring freshets were very severe and caused heavy road repair expenditures. No

attempt was made to separate the additional expense of these freshets.

Actions of 1954 Town Meeting

Comments on two actions passed by vote of the town at the 1954 meeting are as follows:

1. At the last town meeting it was voted to appropriate \$1,250.00 to cover the previous year deficit. This appropriation, along with the others, was submitted to the State Tax Commission for approval. The Commission, however, did not approve this appropriation and it was therefore eliminated from the adopted town budget for 1955.

2. It was also voted at the last town meeting not to accept certain sections of the Berlin-Groveton Road, for which a relocated and reconstructed highway has been substituted, as a Class V road, but to instruct the next representative to General Court to see whether or not legislation can be secured for the State to keep this road. Mr. Potter, Representative to General Court, has been informed of this town action. At this time it is too early for State action either pro or con. Pending possible action, Article 15 has been included in the tentative warrant covering the acceptance of this road.

1955 Warrant

Two articles in the town warrant may need some clarification. They are as follows:

1. Article 12—"To see if the town will vote to purchase approximately two (2) acres of land now used as the West Milan Dump and appropriate a sum of money for the purchase." Several years ago the town voted to purchase this land but no further actions were taken. The town is now paying rental for the use of this land without assurance that it can continue to use this area for dump purposes. The above article is included in the warrant in order that the people can decide whether to buy the land or continue paying rental.

2. Article 14—"To see if the town will authorize the Selectmen to negotiate for and sell the growing wood and timber on the town lot—Lot 18-Range 4-Division 2." The Selectmen, through Mr. Mark Hamlin, arranged to have this lot cruised and estimated as to the amount of harvestable growing wood and timber. This report showed that the lot contained between 900 to 1,100

cords of mixed harvestable pulp wood, with some hurricane damage. The cutting and transportation of this wood would be strictly a winter operation with the recommendation that it be commenced at an early date. Based on the above recommendation, the Selectmen believe that the town should vote to sell stumpage on this lot within the next year.

It is hoped that all of you make a very special attempt to be present at the 1955 Town Meeting on March 8th. It is at this meeting that Y O U elect your town officers, appropriate money for town functions, and set the town policies. It is important that you be there and exercise your power to vote in order that officials, appropriations and policies are determined by a majority of the town's people and not by a minority.

Warrant

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District of the Town of Milan qualified to vote in district affairs:

You are hereby notified to meet at the I. O. O. F. Hall in said district on the 8th day of March, 1955 at 1:00 o'clock in the afternoon to act upon the following subjects:

1. To choose a moderator for the coming year.
2. To choose a clerk for the ensuing year.
3. To choose a member of the school board for the ensuing three years.
4. To choose a treasurer for the ensuing year.
5. To determine and appoint the salaries of the school board and truant officer, and fix the compensation of any other officers or agents of the district.
6. To hear the reports of agents, auditors, committees, or officers heretofore chosen, and pass any vote relating thereto.
7. To choose agents, auditors, and committees in relation to any subject embraced in the warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be raised from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation which balance is to be raised by taxes by the town.
9. To see what sum of money the district will vote to raise and appropriate for new doors for the Milan Village School.
10. To transact any other business that may legally come before this meeting.

Given under our hands at said Milan this 15th day of February, 1955.

ROBERT E. STANLEY,
VIRGINIA FLINT,
JENNY HODGDON,

School Board.

Estimated Income:

National School Lunch Program \$1,000.00. This is an offset item. The amount of the 1955 State Aid is not known at this writing. Any balance remaining June 30, 1955 will be deducted.

*The starred items are required by law to be raised as determined by the proper authorities. The district determines the salaries of the district officers. The supervisory union board decides the local share of the superintendent's salary and other union expenses. The district's share of the superintendent's salary for 1953-54 was \$468.00. The other towns in the union contributed as follows: Gorham, 2,196.00; Jefferson, \$432.00; Shelburne, \$216.00; Dummer, \$144.; and Randolph, \$144.00. The state's share was \$2,500.00. The state treasurer reports the amount of per capita tax. The retirement board assesses the amount for the teachers' retirement.

Report of Superintendent

To the Superintending School Committee and the Citizens of the Milan School District:

FOREWORD

How good were the good old days? Were the people who were in school fifty years ago as good as they now claim they were? Are the stormy charges that today's children "aren't learning anything?," more particularly reading, writing and arithmetic, true?

Extensive examinations were given throughout most of the country in an effort to get the answers to these questions. The same tests as were given fifty or one hundred years ago were given again.

The results prove that the children of today do better in mental and written arithmetic and in oral and silent reading, about the same in geography and history, in spite of the fact that they have one hundred more years of it to study, and only slightly poorer in spelling.

Why not get the facts about our schools? Take time to read "Changing Times" in the Kiplinger Magazine, June, 1954 or "How Good Are Our Public Schools?" in the Readers Digest, September, 1954.

The youth of today know more about more things than any preceding generation. Our young people are better prepared for college than ever before.

You will be interested in the fact that on standard achievement tests the children of this supervisory union are above both the New England and National norms.

Let us know our schools, what they have done and what they are doing, and cooperate in a common effort to make them even better.

TEACHERS

The teachers this year are as follows: Avis Croteau, Principal, grades 6-8, Hilda Johnson, grades 3-5, and Marion Armstrong, grades 1-2, at the Milan Village School; Fannie Mullins, Principal, grades 1-2, and Majel Forrest, grades 5-6 at the West Milan School.

TUITION

In September, 1954, we had 37 enrolled at Berlin High School. Of these, 3 are seniors, so with 19 enrolled in grade 8 at Milan, it would seem reasonable to expect a substantial increase in the number of tuition pupils for next year. The tuition rate for Berlin High School is \$250.00 per pupil.

TRANSPORTATION

Our present contract with Donald Hodgdon expires June 30, 1955. A new transportation contract has just been negotiated for the three-year period 1955-58. You will note that the budget reflects a higher transportation cost. According to a vote of the district, high school transportation is being paid at the rate of \$1.00 per child per week.

SCHOOL CALENDAR

It has been proposed that the School Board adopt the following school calendar for 1955-56.

First Term (73 days)

September 7, Wednesday, School Opens
November 23, Wednesday, Closing 12:30
November 24, 25, Thanksgiving Recess
December 20, Tuesday, School Closes

Second Term (34 days)

January 3, Tuesday, School Opens
February 17, Friday, School Closes

Third Term (39 days)

February 27, Monday, School Opens
March 30, Good Friday, Closed
April 20, Friday, School Closes

Fourth Term (34 days)

April 30, Monday, School Opens
May 30, Wednesday, Memorial Day
June 15, Friday, School Closes

SCHOOL YEAR, 180 DAYS.

ENROLLMENT AND ATTENDANCE

There are, at this writing, 132 in the two schools: 42 are at West Milan and 90 at Milan Village. This represents an increase of 4 in the total enrollment over last year. It is interesting to note that there is a decrease of enrollment at West Milan and an increase of 15 at Milan Village School over the corresponding year ago.

Percentages of attendances are again rather low. The Milan Village School, grades 6-8 had the highest percentage with 96.8. There were 32 cases of tardiness in the district for the year, with the West Milan Primary room having 20 of these. The Milan Village School and West Milan upper rooms all varied between one and four as a figure for the total number of tardinesses reported. This is a very commendable record.

BUILDINGS AND EQUIPMENT

No major repairs were undertaken during the summer months. The two buildings are in fairly good physical condition in spite of the fact that the West Milan School was built many years ago. Twelve new pupil desks were purchased for the middle room at the Milan Village School. The other equipment—maps, books and reference material—seem to be quite adequate.

NOTES ON THE BUDGET

The School Board's total budget for 1955-56 is \$38,369.57 as compared with \$36,626.50 for last year. This represents an increase of \$1,743.07 over last year. Anticipated higher costs for transportation and salaries account for most of the increase.

The total budget as adopted by the annual meeting will be reduced by the off-set item \$1,000.00 for the National School Lunch Program as well as the amount received from State Aid and any balance remaining on June 30, 1955.

WARRANT

The School Board has seen fit to include one special article in the school warrant. Since all of the outside doors on the Milan Village School are in poor condition, it was deemed wise to ask the voters for permission to replace them.

CONCLUSION

The schools are the community's opportunity for reaching all the children of all the people. It is our duty to provide their education, not merely in terms of books, credits and diplomas, but education in terms for preparation for living and earning.

I wish to take this opportunity to express my appreciation to the members of the School Board, parents, teachers and friends for their support in our common effort to maintain good schools.

Respectfully submitted,

ALBERT P. KNIGHTLY,
Superintendent of Schools
